

BEFORE THE COURT OF MOTOR ACCIDENT TRIBUNAL
MACP No.65/2021
(CNR NO. MHGO010004392021)

Durgesh -vs- Bajaj Alianz and others

ORDER BELOW EXH. 47

(Passed on this 12th day of August, 2026)

1. Perused application and say of respondents. Heard learned advocate for parties. Present application is filed by claimant to amend claim petition to the extent of mentioning correct serial number of vehicle as MH-36/4247 instead of MH-36-A-4247. It is contended that in policy vehicle number is mistakenly mentioned as MH-36-A-4247. So that number has been mentioned in claim petition. However, as per registration particulars vehicle number is MH-36/4247. Accordingly, prayed to correct said mistake by way of this amendment.

2. Respondents objected to this application by filing say on present application. I would like to mention that in police papers registration number of Tracks involved in the said accident is mentioned as MH-36-4247 and registration particulars also shows the same number. But in policy vehicle

number is mentioned as MH-36-A-4247. It is to be noted engine number and chasis number in the policy are same as that mentioned in registration particulars of vehicle No.MH-36-4147. Keeping in view fact that it is inadvertent mistake in mentioning registration number of the vehicle involved in the accident, for just decision of case it is necessary to permit claimants to amend claim petition in that respect by mentioning correct registration number of the Tracks vehicle. Hence, this order.

ORDER

- 1] Application Exh.47 is allowed.
- 2] Petitioner is permitted to amend claim petition by mentioning registration number of Tracks as MH-36-4247 instead of MH-36-A-4247.
- 3] Amendment be carried out forthwith.
- 4] Accordingly, application stands disposed of.
