

ORDER PASSED BELOW EXH. 16
(Dated 10/05/2023)

Present application is filed by complainant to correct the name of accused no. 2 Pramod Priyaraj Agade as Khemraj Priyaraj Agade. It is the contention of complainant that original name of accused no. 2 is Khemraj Priyaraj Agade therefore instead of Pramod Priyaraj Agade correct his name as Khemraj Priyaraj Agade.

Learned advocate for accused persons filed their say on present application and raised strong objection to allow the application. He contented that order of issue process has been passed by this court. Accused persons are appeared before the court and released on bail. Matter is pending for recording plea of accused persons . Therefore, the application is not tenable. Hence, application kindly be rejected in the interest of justice.

2. I have gone through the application and say filed on it by learned advocate for accused persons. Present complaint filed on 14.06.2022 then after verification of complainant and other two witnesses were recorded by this court. Heard the argument of learned Advocate of complainant . Then after order of issue process u/s 294, 323, 504, 506 r/w 34 of I P C were issued against the accused No. 1 to 4. Accused No. 1, 2 and 4 are appeared before this court and released on the bail. Accused No. 2 Pramod Priyaraj Agade filed his verified photocopy of Adhar card on record. It is not the contention of accused No. 2 that his name is Khemraj. Accused No. 2 got the bail by the name of Pramod Priyaraj Agade. Accused No. 2 did not objected that his name is not Pramod Priyaraj Agade. The order of issue process against

accused no. 1 to 4 was passed on 18.11.2022 and after 5 months complaint filed present application. Complaint did not mention the reason as to why name of accused no. 2 mention as a Pramod instead of Khemraj. Complainant did not filed any document which shows that name of accused no 2 is Khemraj and not pramod. Therefore I do not found any merit in the application. Considering the above discussion it is just, proper and reasonable to reject the application. Hence, I pass the following order.

ORDER
