:- Order Below Exh. U-14 :-

(Dated 19th July, 2022)

1. Complainant filed this application for amendment. Complainant states that there are various developments after filing of complaint which are required to be brought on record. It is necessary to bring that facts on record for proper justification in the case. Applicant submitted that the application may be allowed.

2. Respondents opposed the application stating that application is not maintainable in the eyes of law. There is no relevancy of the proposed amendment. In that case, Ld. Counsel prayed for rejection of the application.

3. I heard both counsels. By this amendment, the complainant wants to bring on record that his wife was suffering from back injury and was admitted to hospital and operated. Thereafter, he met with an accident and had

under gone the surgery. Thereafter, his daughter faced harassment at the hands of her husband. The complainant wants to bring these facts on record. In my view, by this amendment, the nature of complaint is not changed. The complainant is adding some personal facts in the complaint by way of this amendment. The amendment does not take away any right accrued by the other side. Hence, no prejudice will be caused to the other side if amendment is allowed. So, I proceed to pass the following order -

-: *Order* :-

1. Amendment is allowed.
2. Complainant to carry out the amendment proposed within period of 14 days from the date of this order.
