Versus

Solapur Municipal Corporation & Ors.

}...**RESPONDENTS**

ORDER BELOW EXH-C-9

(Passed on 16/01/2025)

1. Read the application vide which, respondents have prayed to set aside the order passed about closure of their evidence and to allow them to adduce and produce evidence. Read the say. Heard learned advocate Shri.S.S.Kalekar for the respondents and learned advocate Shri.B.T.Jadhav for the complainant. Perused the entire record.

2. After passing the order on preliminary issues on 20/9/2024, matter was posted for evidence of the respondents. On account of their failure to adduce evidence despite granting three dates, their right to adduce evidence has been forfeited by order dtd.17/12/2024 passed in the roznama. The only reason mentioned in this application for setting aside the said order is that documents have been received belatedly from the respondents. The reason mentioned does not appear to be proper yet, considering the fact that respondent No.1 is a public body and respondent No.2 and 3 are its officers, it would be in the interest of justice to grant one more opportunity to them to adduce and produce evidence. Thus, holding that respondents are entitled for the relief claimed on certain condition, I pass the following order.

ORDER

Application Exh C-9 is allowed.

Respondents are permitted to adduce and produce evidence.

Respondents shall examine witness on their behalf on next date without fail else, this application shall be deemed to have been rejected.

Date : 16/01/2025.
