ORDER BELOW EXH.U-10
(Passed on 15.04.2025)

01] This is an application filed by the complainant for grant of permission to take his further examination in chief.

02] Read the application and say thereon. Heard both the sides. From perusal of the case papers, it appears that after filing the examination in chief on affidavit of Vijay Joshi, his cross-examination was recorded. On perusal of examination in chief, it appears that it is lack of proper verification. Moreover, no opportunity was given to the complainant to verify and prove the contents of the document. The complainant wants to prove the documents which are produced on the record. Opportunity needs to be given to the complainant to prove those documents. If permission is granted, no prejudice would be caused to the respondent and it would be helpful to decide the controversy in question. Considering all these factors, to have a fair trial and in the interest of justice, I pass
