ORDER BELOW EXH.01.

This is petition for divorce by mutual consent is filed under Section 13(B) of the Hindu Marriage Act, 1955 on 15.07.2025. The record reflects that, parties and their learned advocates have not turned before the court since long. Even mandatory mediation is also not complied. Since from the institution parties have not taken any steps to proceed with the matter or adduced their evidence. Thus, since from institution no any steps are taken and therefore it appears that parties are no more interested to proceed with this petition. Already since from last one year the petition is kept pending but where parties are not turning before the Court, no purpose is going to suffice in keeping this pending furthermore pending. Hence, the petition(Exh.01) is dismissed in default. The proceeding is closed and disposed off accordingly.
