३१३.१५. जी. गि. ए.

Heard both sides - The P1 has  
 filed her evidence affidavit and  
 thereafter expert report is filed on  
 record - The P1 wants to file  
 additional evidence affidavit in  
 respect of expert opinion - The 12-adv  
 for deft has opposed the application.  
 However considering the fact that  
 expert opinion is received on record  
 after filing of earlier evidence affidavit,  
 there appears no hurdle in allowing  
 the appn. further. Further examination  
 and cross is not yet commenced. The  
 deft will have right to cross examine  
 hence P1 permitted to file additional  
 affidavit. APPN is thus allowed
