

ORDER BELOW EXH.1
(Passed on 09th June 2026)

Perused the complaint, verification and record. It can be seen that verification of complainant was recorded on 07.01.2017 and since then case was posted for argument on issuance of process. Record shows that since then complainant is absent. As verification is recorded, I proceed to pass the order on basis of available record instead of dismissing the case for want of prosecution.

02. It is alleged that accused beat complainant with fists and blows and threatened him to kill by means of sword. It can be seen that the complainant has also filed NC report with Taluka Jalna Police Station. But it can be seen that there is inconsistency in allegations made in complaint and in verification of complainant. Thus it becomes difficult to rely on such inconsistent statement. As stated above, the complainant is absent since long and thus there is no explanation regarding inconsistency. Thus considering all above aspects, in my view the complainant has not made out any case as alleged. Thus, there appears no sufficient ground for proceeding further. The complaint, therefore is liable to be dismissed. Hence, the following order-
