--	--

Order below Exh.01

(Passed on 10.07.2026)

1. The current application is submitted by the applicant, **Shri. Jalindar Sattappa Mane** requesting the release of a **Two Wheeler HONDA DREAM YUGA** bearing, **Registration No. MH 09 DR 4760**, **Chassis No ME4JC58ADFT077492** and **Engine No. JC58ET4077838** under Supratnama (a bond of indemnity).

2. The Applicant asserts that his vehicle was seized by police in connection with Crime No. 140/2026 involving offences punishable under Sec.189(1), 190, 125(2), 223 of BNS and Sec. 199 A and 184 of Motor Vehicle Act, 1988 and Sec. 135(iii) of Maharashtra Police Act, 1951. The applicant claims to be the owner of the vehicle, which was seized by the police. The applicant submitted that he has purchased the vehicle and he used the vehicle for his personal use. He submitted that he did not commit any crime and he needs that vehicle for agricultural and for family work. He further states that the vehicle is currently parked at the police station, which lacks adequate facilities for safe storage. The applicant further states that the vehicle is not required by the investigating officer, as the investigation is complete. Prolonged

storage at police station will lead to the vehicle becoming damaged and unuseable. The applicant has filed copy of FIR, Copy of RC Extract, Copy of Adhar Card, Copy of Insurance details. Hence, the applicant requests that the Court may grant this application.

3. Though getting sufficient opportunity the Ld. APP and IO did not file say. Therefore, I pass no say order against the Ld. APP and IO and proceed further with this application.

4. Upon reviewing the application it is evident that the vehicle was seized by the police in connection with Crime No. 140/2026. The vehicle has been in police custody since it's seizure and keeping it at the police station for an extended period may render it useless and cause damage. The purpose behind exercise of powers under sec. 503 of BNSS is to see that the vehicle is not kept unattended while lying in the police station so that it does not become junk day by day.

5. It appears from the record, that applicant has produced the copy of copy of FIR, Copy of RC Extract, Copy of Adhar Card, Copy of Insurance details. It confirms his ownership. Based on reasons discussed, the application warrants to be allowed subject to conditions. The vehicle's interim custody should be granted to the applicant, subject to specific conditions. Hence I pass following order.
