

MACC No. 23 of 2013(R- 276 of 2013).

CNR No. WBSP01-017937-2013

Order No. 70.
01.08.2026

Today is fixed for hearing show cause petition filed by the Claimant.

The Claimant has filed hazira, none moves for the claimant on calls at 11:15 am and 11.45 am. It appears that the claimant is in the habit of not moving on dates fixed for the case; on a similar circumstance on 25.11.2025 none moves for the claimant when the matter was fixed for PH as last chance and hence, the claimant was directed to show cause. The claimant files a show cause application on 25.02.2026, but did not move the same, but no adverse order was passed in view of resolution of the Bar. Similarly on the next date on 06.05.2026 no adverse order was passed inspite of the fact that none moved for the claimant. Accordingly, the claimant got sufficient opportunity and no further leniency should be shown to the claimant.

Accordingly, the instant case is dismissed for default and is thus disposed of.

Not in the Register.

Order be uploaded in the CIS.
