

Under Section 299 of Cr.P.C.

Deposition of Witness No.03 for the prosecution.

I do hereby on solemn affirmation state that :

My name is : Dr. Kanchan Tulshiram Bhorage,

Age : 46 years, Occ. : Medical Officer, VDGMC, Latur.

Examination-in-chief : by Smt. M.R. Kulkarni, APP for the State.

1. In the year 2022 also, I was working at the same place as a Casualty Medical Officer. The injured Arjun approached to me on 26.03.2022. I examined him. I sent MLC as per page No.7 now shown to me bearing my signature, content therein is true and correct and it is at **Ext.41**.

2. I found the injuries of Arjun as incised wound, respectively at left side of inflammatory area and left forearm, sized 2 x 1 x 0.5 cm and 4 x 2 x 1 cm, respectively as grievous and simple. I also found CLW at left side below knee sized 1 x 1 x 1 cm, simple in nature. All those injuries were caused within 24 hours, respectively with sharp edged and hard and blunt weapon. I referred the injured to the surgery department, wherein intercostal drainage surgery was conducted. Accordingly, I issued the Medico Legal Certificate which at page No.88 now shown to me. It bears my signature and its content is true and correct as per the original entries in the register brought today by me and it is at **Ext.42**. That injury was a life threatening.

3. I received the letter of I.O. as per page No.120 now shown to me bearing my acknowledgment relating to the weapon query and it is at **Ext.43**. I conducted the examination of the weapon – folding knife sent in sealed condition. Accordingly, I prepared my opinion and sent it with the letter at page No.121 to the police as shown to me. Accordingly, their content is true and correct, they bear my signatures, my letter is at **Ext.44** and the opinion is at **Ext.45**. I came to the conclusion that the injuries which I examined were caused by the said weapon. I can identify the said weapon also.
