ORDER BELOW EXH.1

The matter is of the year 2017. It is pending for the evidence to be led by claimants since from many dates. Sufficient opportunities have been given to the claimants to lead further evidence, if any. But inspite of such opportunities claimants failed to lead further evidence. Today, learned advocate of the claimants present before the court. He is orally requesting the court for an adjournment on the ground that the witness he is proposing to examine has undergone spine surgery. I have gone through the record. On the application Exh. 53, last chance was given. Thereafter, the adjournment application (Exh.54) was rejected. Again in the interest of justice on the application Exh. 55, very last chance was granted to lead further evidence, if any. Taking into all these circumstances, no further adjournment can be granted. Hence, evidence of claimants is closed.
