

R.C.A. No.56/2021
Laxman V/s. Dnyanoba
CNR No. MHLA010039052021

ORDER BELOW EXH.16

This is an application moved by L.Rs of deceased appellant for getting the delay condoned caused for moving application of bringing L.Rs on record.

2. It is contention of the applicants/L.Rs that appellant Laxman Mirkale died on 25.04.2025. The application should have been filed on or before 25.07.2025, but 7 days delay was caused for obtaining death certificate and the advocate was informed about this on 01.08.2025 itself. The respondent has objected the application by filing say. It is contention of the respondent that applicants have collected death certificate of deceased from concerned authority on 02.06.2025 itself and the ground stated for explaining the delay is not sufficient. Therefore, application be rejected.

3. The application has been supported by an affidavit. There is delay of mere 7 days. There is no reason to disbelieve the grounds stated in the application. Moreover, considering the delay of only one week, the liberal approach is required to be taken. Hence, I am inclined to pass following order.

Order

1. Application is allowed.
2. The delay caused for moving application of bringing L.Rs on record is hereby condoned.
