

Cri.M.A. No.26/2025
Babita Vs. Maehsh

Order Below Application for issuance of Warrant

Perused the e-filed record of the application. Perusal of the same reveals that the instant is an application filed by the applicant and thereby sought for issuance of warrant to the tune of Rs.2,47,500/-. According to her, the respondent herein did not pay a single penny till the moment though served with notice. Perusal of the report reveals that the notice is duly served upon the respondent. Despite service of notice today neither respondent nor his advocate appeared or paid a single penny. The proceeding is old enough. I have considered the instant application with the aims and object of this beneficial as well as social legislation. Considering the same it appears that the lackadaisical and vagrant conduct of the respondent itself warrants issuance of distress warrant first and then warrant. Hence, in the peculiar circumstances of the instant proceeding, it is ordered that distress warrant for arrears of maintenance of Rs.2,47,500/- needs to be issued against the respondent. Hence, issue distress warrant instead of warrant. Considering the difficulties faced by the applicant to get such processes served, her request of by hand is also accorded. Order accordingly.

(The instant application is filed through e-filing, and therefore without getting print out of this order, it is uploaded.)
