ORDER BELOW EXH.1

This is a suit for perpetual injunction. The suit is pending for evidence of the plaintiff. The plaintiff failed to adduce evidence despite sufficient opportunity. Therefore, on 09/06/2026 the suit is kept for dismissal order. Meanwhile, the matter is adjourned more than 2 times, but no one appeared and proceed with the suit. Today also neither plaintiff nor his advocate are present before the Court despite repeated calls. The conduct of the parties shows that they have lost interest from the present proceeding. Considering age of the suit, I do not find any reason to keep the suit pending. Hence, I pass following order;

ORDER

1. Suit stands dismissed in default for want of prosecution.
