

**ORDER PASSED BELOW EXH.NO.19**

1) Perused the application submitted by the plaintiff for correction in the order passed below Exh.17 for appointment of court commissioner.

2) It is contended that the plaintiff has filed an application under the provisions of Order XXVI, Rule 9 of Code of Civil Procedure. The said application was allowed by this court. But, in the operative order it is typed as Deputy Superintendent of Land Records at 'Nilanga' instead of Deputy Superintendent of Land Records at 'Shirur Anantpal'. The suit property which was directed to be measured is land Gut no.63/A, situated at village Wanjarkheda, Tq. Shirur Anantpal. There is office of Deputy Superintendent of Land Record at Shirur Anantal. So, directions to measure the suit land be given to the Deputy Superintendent of Land Records at Shirur Anantpal.

3) The defendants have strongly objected the application. I have heard both sides. It appears that, the suit property i.e. land Gut no.63/A comes under the jurisdiction of office of Land Records at Shirur Anantpal. So, it is necessary to direct the Deputy Superintendent of Land Record at Shirur Anantpal to measure the suit land. The order passed below Exh.17 needs to be corrected accordingly. Hence, following order is passed to meet the ends of justice :-
