

**Order below Exh.33 in Arb.R.D. No.470/2015**

By this application decree holder has requested to re-issue warrant against both judgment debtors, on the grounds mentioned in the application. Perused application. Heard learned advocate for DH. Record shows that the warrant for attachment of movable property belonging to JD No.1 came to be issued and the bailiff report dated 04/01/2025 clearly shows that JD No.1 is not residing at the address mentioned in the petition but he is residing at **Mumbai**. No purpose will be served by re-issuing warrant against him. Hence, application is partly allowed and re-issue warrant under Order XXI Rule 43 CPC against JD No.3 only.
