

**ORDER BELOW EXH.235**

This is the private complaint filed by the complainant under Section 420, 467, 468, 471, 474 r/w. 34 of Indian Penal Code. The complainant has lead the evidence for framing charge. Record reveals that, the matter is posted for framing of charge against accused persons since 13.01.2023. Evidently, the matter is more than 10 years old therefore, as per directions of Hon'ble Bombay High Court, it is to be tried and decide expeditiously. On perusal of the roznama it appears that, repeatedly NBW were issued to accused persons and notices to their sureties but police could not trace out them. Considering the right of speedy trial of accused persons and age of the matter it is necessary to separate trial of accused nos.2 and 3 to proceed the matter against other accused persons. Hence, I pass following order.

ORDER

1. Application at Exh.235 is allowed.
2. Trial of accused nos. 2 and 3 is split up.
3. The matter to proceed separately against accused nos.1, 4 and 7.
