In case of **Group Grampanchayat, Sasavane v/s Sunda Shamrao Bandishti and others reported in 2011 (2) Mh.L.J 424** it is held that, "In a proceedings for heirship certificate, the court is not required to determine title of the deceased to any property. It is required only to consider whether the persons claiming heirship certificate are the heirs of the deceased. If any person comes forward to claim nearer Kinship than the applicants, the rival claims for the applicant and the person claiming nearer Kinship and to be an heir would be considered by the Court. The Court may decline to grant heirship certificate to any applicant and come to the conclusion that the applicant is not an heir of the deceased of that here are nearer keens who are entitled to the heirship certificate. The question of title to the property allegedly held by the deceased is alien to such inquiry. Whether the deceased had any title to the property is not and indeed cannot be decided by the Court in an application for the heirship certificate made under the Regulation.

6. In case of **Aloysius Manuel D'souza and Ors. Vs Mary Kamala Wiilliam Manuel D'souza 2006(6) Bom. C.R. 56. The right, if any, of the person claiming ownership in the property of the deceased are not taken away by grant of an heirship certificate to an heir. On the other hand, clause 7 makes it clear that the heirship certificate holder is accountable to all persons having an interest in the property for the acts done by him. Based on the heirship certificate solicitor the heirship certificate holder cannot be

said to have acquire any right, title or interest in the estate of the deceased.

7. In case of **Salimabi Shaikh Shabbir Ors. Vs The State of Maharashtra 945 WP No. 924 of 2020 (Bom.)**. In said case Lower rejected application of heirship certificate on ground that applicant has not disclosed the property of deceased in heirship application.
