ORDER

30-12-2022 :-

Nemo for complainant. Perusal of file reveals that complainant is not appearing in the court for three dates, and has failed to produce evidence. Even today repeated calls are given despite that no one appeared on behalf of complainant which clearly shows that complainant has lost interest in the prosecution of complaint. In these circumstances the complaint in hand is dismissed in default due to non-appearance of the complainant. Hence disposed off. File shall be consigned to record after its due completion and compilation under rules.
