**Order below Exh. CA-6**

(Date :- 14/08/2025)

The respondent No. 3 filed the present application for dismissing the claim against the respondent Nos. 1 and 2 and for deleting its name from the application. Perused the application, say and other proceedings of the matter. Heard both parties. Perusal of record reveals that the respondent No.3 filed its written statement on 09/03/2023 but the respondent Nos.1 and 2 have not been served. The applicants have issued notices to them on different addresses but it appears that the address is either false or incomplete. It appears that the applicants have been taking steps, to serve notice upon respondents 1 and 2 but not succeeded till date. However, the applicants have claimed the amount of around Rs. 12 Lac. They are the legal dependents of the deceased. They have legal right to make a claim over the insurance amount. Therefore, it would be against their interest if the name of respondent No. 3 is deleted and it would further cause injustice if the application is dismissed against respondents Nos.1 and 2. In light of this following order is passed.

**ORDER**

1. Application is rejected.
2. Costs in cause.
