The present reference was sent by the

letter dated 04/01/2010 for adjudication. Notices were sent to the parties and they have received the same as per acknowledgments.

2) The rojnama shows that the second party is absent since long, my learned predecessor pleased to passed an order on 26/02/2013 that "second party has not filed "statement of claim" since last two years. The reference is proceed without statement of claim". However, since 05/04/2013 parties have not taken steps. Even today both the parties are absent when called . It seems that both the parties have lost interest to proceed with the matter. Hence,I pass the following order.
