Examination-in-chief by Ld. APP Smt. S. S. Kamble for the State. :-

1. On 17.06.2014 I visited the Canara Bank's ATM Byculla, near Byculla Railway Station (W). I inserted my ATM Card in the machine. I typed PIN number, details of the amount to be withdrawn, but it was not working. Someone came from behind and advised me that said ATM machine has problem. I again inserted PIN number and details of the amount. Still, the money could not be withdrawn. The machine was hanged. I cancelled the transaction, but the button was not operating. The person who was behind me asked me to hurry. The button of cancel was not functional due to certain mischief played with it. Then I went out. As soon as I went out, that person entered the ATM Machine room. I soon got the message that Rs. 10,000/- withdrawn. I rushed to the ATM and found that the person was not there. I visited the Canara Bank. I was advised to visit my home branch. I visited the home branch. I was told to make the report. I visited the Agripada Police Station and got registered my report.
