Order : Petition is allowed

This petition having been finally heard on this day, the court passed the following:

ORDER

This petition was filed under section 14 of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (hereinafter referred to as "Act") for taking possession of the secured asset which is the scheduled property.

2. The petitioner is a bank. It is represented by its authorized officer. The petitioner is the secured creditor and the respondent is the secured debtor. The respondent created a security interest by virtue of a security agreement in respect of the scheduled property ie., the secured asset in favour of the petitioner in respect of the financial assistance that he availed from the

petitioner. The respondent committed default in repaying the loan. Therefore the account was classified as Non Performing Asset on 01.05.2022. On 07.05.2022, the petitioner issued a demand notice u/s.13(2) of the Act to the respondent calling upon him to repay the loan amount in full within 60 days. The notice was served on the respondent. The petitioner published a copy of the notice in two daily newspapers. Even after the issuance of demand notice u/s.13(2) of the Act, the respondent did not repay the loan amount within the statutory period. So, the petitioner filed this petition for taking possession of the secured asset for realization of the amount due to the petitioner's bank.

3. The authorized Officer of the petitioner filed affidavit in compliance of Sec.14 of the Act. The affidavit and the documents produced by the petitioner show that the respondent created a security interest in respect of the secured asset in favour of the petitioner at the time of availing loan and he failed to repay the amount even after the receipt of the statutory notice u/s. 13(2) of the Act. Hence I find that the petitioner is entitled for possession of the secured asset which is the scheduled property through the proceedings of this court.

In the result, the petition is allowed as follows:-

1. Adv. Kevin George is appointed as the commissioner to take possession of the scheduled property with due notice to the respondent and hand it over to the petitioner on proper

acknowledgment. The petitioner shall pay a batta of Rs.5,500/- to the commissioner within 15 days from today and pay Rs.1,500/- on filing report by the commissioner.

2. The petitioner shall provide a copy of the petition including the schedule of secured asset to the advocate commissioner for executing the order.
3. The Station House Officer of the Police Station in the area in which the secured assets situate, shall give necessary assistance to the commissioner if so required for executing the order.
4. The Advocate commissioner is permitted to break open the premises if required so.
5. The commissioner is directed to prepare an inventory in triplicate attested by two respectable witnesses as regards the execution of this order and in taking possession of the scheduled property and copies thereof shall be given to the petitioner as well as the respondent on proper acknowledgment. The remaining one copy shall be filed along with the commissioner's report before the court.
6. The commissioner shall execute the order within 90 days from the date of payment of first part of the batta as directed in clause (i).
