

Read application and say. Heard both sides at length.
Gone through record, learned Adv. Shri. Panchaj
for the accused has submitted accused nos. 3
and 11 are ~~debt~~ agriculturist / farmer and they work
to sell crop in the market but due to condition
imposed in the bail application, they ~~are selling~~
it in the low prices at local market. This
further submitted that condition imposed at ss.
DO. 2 (c) in the bail applications of both the
accused be relaxed. On the other side learned A.G.P.
has submitted no need to relax the condition as
the court has passed order after considering all facts on
record hence application be rejected.

I have gone through record, officers
charges against the accused are serious in nature.
This court while passing order on bail applications
of both the accused i.e. accused no. 3 and 11,
has considered material on record, contents of
application, say of public prosecutor and passed
conditional order. Accused persons can arrange
alternative way to sell their produce in big
market. So I do not find any ground to allow
this application. Accordingly by accepting submission
of learned A.G.P., I pass following order

ORDER

Application is rejected.
