ORDER

Particulars of offence against accused are framed at Exh.04. It is explained in vernacular to the accused. They pleaded guilty. I have personally verified accused. They stood abide by their plea of guilt. It is found voluntary. Hence, I have no hesitation admitting their plea of guilt. Thus, on their plea of guilt, the accused are hereby convicted for the offence punishable under Section 12 of the Maharashtra Prevention of Gambling Act.

At this point I take a pause to hear the accused on the point of sentence. Accused have submitted that they are poor person and *karta* of the family. They have urged for imposing of minimum fine.

Having given anxious thought to the submissions of the accused person and the facts and circumstances of the case, I am of the opinion that it is necessary to impose such a punishment that accused should understand the seriousness of their acts and deeds. In this case, the accused filed pursis (Exh.03) stating that they did not want to claim amount seized by the police in the crime. Hence, it would be decided after final disposal of the case. Hence, on the backdrop of above discussion, I proceed to pass following order:-

ORDER

1] Accused are hereby convicted for the offence punishable under Section 12 of the Maharashtra Prevention of Gambling Act vide Section 252 of Code of Criminal Procedure and they are sentenced to suffer imprisonment till rising of court and also to pay fine of Rs.300/- each (Three Hundred Rupees Only each) in default which to suffer simple imprisonment for one day.
