(Dated 30.01.2026)

Heard learned advocate for plaintiff. Perused the application and annexure of the plaint. There seems no such urgency to pass any ad-interim order without hearing the other side. Opportunity of being heard is required to be given to the defendant before passing order. Hence, issue notice of this application to the defendant as to why the interim injunction application shall not be passed in favour of the plaintiff. E.P. & S.B. allowed if required by the Plaintiff. Notice returnable on **07.02.2026.**
