[03] The acquired property was the ancestral property. It was about 70 years old. The acquired house was built up of mud. At that time, adjoining houses too were acquired and measurement was done. I have

not filed any valuation report. It is not true to say that acquired was on Abadi Land. It is true to say that we have received plot in lieu of acquired house. It is true to say that we had received money for construction of house over above plot. It is not true to say that LAO had granted proper compensation as per prevailing rate. It is not true to say that I am deposing falsely.

Cross-examination for respondents No. 1, 4 and 5 – No one is present. No steps. Matter is very old. Hence, matter to proceed without cross-examination on behalf of above respondents. Hence, cross-examination Nil.

Re-examination- Nil.
