

Deposition of Witness No.5 for the Prosecution

Name - Dr. Dnyaneshwar Shivdasji Sonsare,
Age - 51 Years,
Occupation - Doctor,
R/o. - Nagpur, Dist. Nagpur. Mo. no. 9405354805

Examination-in-Chief of Shri.B.M. Bhagat, A.P.P

1. My Education qualification is M.B.B.S., D.G.O.
2. On 22.10.2021 I was working as Medical Officer at Rural Hospital Mouda. On that date at about 11.30 a.m. patient namely Devidas Bhagoji Kumbale brought to RH Mouda by P.C. Shriram B.no.2149 of Mouda Police Station. He narrated to me History of assault. I medically examined to the said patient and found following injuries on his person :
 - i) Abrasion on left temporal region of the head. Age of the injury was fresh in nature. Injury may be caused by hard and blunt object. Injury was simple in nature. As the injury caused to the said patient was not laceration or contusion so its dimension could not be measure. I gave antibiotics, T.T. injection to the said patient.
3. I prepared Medico-legal certificate of the said patient. The MLC certificate is now shown to me. It is the same. The contents of Medico Legal certificate are true and correct and it bears my signature. Medico Legal certificate is at **Exh.38**.

Examination-in-Chief is over.

Cross examination by Shri. S.S. Rao, Advocate for the accused.

4. Since last 25 years I have been practicing as Doctor. It is true to

say that, in the injury certificate vide Exh.38 colour of the injury was not mentioned. It is true to say that, colour of injury is necessary to determine age of injury. It is true to say that, there was no bleeding injury on the person of Devidas Bhagoji Kumbale. It is not true to say that, patient did not tell me by which hard and blunt object, he was assaulted. It is true to say that, in the injury certificate vide Exh.38 the name of hard and blunt object by which accused assaulted, was not mentioned. It is true to say that, if someone dashed his head against a wall then injury mentioned in injury certificate vide Exh.38 may be caused. I cannot tell whether injury sustained to Devidas Bahgoji Kumbale was self infected or not. It is true to say that, if someone plated a stone on the person of anybody from the 10 – 12 ft. height then injury will be more fatal than mentioned in injury certificate vide Exh.38. It is not true to say that, on 22.10.2021 I did not find any injury on the person of Devidas Bahgoji Kumbale. It is not true to say that, today I am deposing false.
