**Mis.Civil Appli. No. 01/ 2023**

(CNR NO. MHNG160005722023)

ORDER BELOW EXH.01**(Date 06.05.2026)**

Today the present application is fixed for taking the steps by the applicants. It is seen from the record that, present application was made for seeking the relief to condone delay caused to make an application for restoration of suit i.e. RCS 26/2016. It is also seen from the record that, since 22.12.2023 till today applicants and their advocate continuously remained absent before the Court. On 07.11.2025 first time the present application was fixed for Dismissal Order. After 07.11.2025 the present application was adjourned four times to make enable applicants to take necessary steps to proceed with application. However, they failed to take necessary steps to proceed with application. Today also, inspite of the repeatedly calling neither applicant's nor their Ld. Advocate appear before the Court. This conduct on the part of applicants shows that, they have no interest to proceed with the application. In such situation I do not found it appropriate to grant one more su-moto opportunity to the applicants, to proceed with the present application. Hence, I proceed to pass following order :

ORDER

- 1] The application is dismissed due to default on the part of applicants.
- 2] The application is disposed off accordingly
