

Deposition of witness No. 6 For the Prosecution

I do hereby on solemn affirmation state that :

My name is : Dr. Viplav Naresh Kambale,

Age : 35 years,

Occupation : Medical Officer at Bhiwapur.

Residence : Nagpur.

Examination-in-chief-by- A.P.P. Shri S. S. More

1] On 03.09.2024 I was attached to the Rural Hospital, Bhiwapur. On that day at about 5.00 p.m. police constable Satish B.No.404 brought a patient namely Ganesh Rangari before me. He narrated the history of assault. On examination him I found following injury :-

i] Contusion lacerated wound over scalp – 1 cm x 2 cm.

All the injuries are fresh and simple in nature. The injury was might caused due to hard and blunt object. Age of injury 1 to 2 hours. Accordingly, I have issued injury certificate. Now that medical certificate is shown to me. It bears my signature. Its contents are true. It is at **Exh.23**.

2. On 26.09.2024 police station Bhiwapur has issued a letter for query of seized weapon that is Stone. Then, Police Constable Aanad Dhattrak had brought a wooden stick for query on examined it. I issued query report. Now that query report is shown to me. It bears my signature. Its contents are true. It is at **Exh.24**. If the Stone shown to me, I identify it. Now the stone shown to me is that which I have

examined. The Stone is Article 'A'. The injury mention in certificate might be caused due to Article 'A'.

Cross-examination by Shri Nagoshe, Advocate for the accused :-

3] It is true to say that I asked the history of injury to the patient who brought by Police. It is true to say that if injured person stated the name of known or unknown person who assault him it can be mentioned in injury report. Witness voluntary said I do not mention the name of person who assault but I only mention that injury caused by known or unknown person. It is true to say that I have mentioned the Article by which the patient was assault. It is true to say that if any person assault by any object then blood stained are appeared on that object. It is true to say that the injured person have caused bleeding injury when he brought for examination. It is true to say that the injury mentioned in Exh.23 might be caused when any person falls from motor cycle. Witness voluntary said the road traffic accident injury and assault injury are both differently seen. It is true to say that it has not mentioned in Exh.23 that the injury caused assault by stone. It is true to say that if any person falls on stone then the injury mentioned in Exh.23 are might possible. It is true to say that I have examine many patient a day. It is true to say that I did not know personally every patient to whom I examined. It is true to say that when I examined Article "A" blood stained are not seen on it. It is true to say that the signature of injured person is not taken on Exh.24. It is true to say that in absence of injured person, I cannot firmly said that he was assault by Article 'A'. It is not true to say that Article 'A' is not brought before me for examination. It is not true to say that I issued a injury certificate and query report only on request of police. It is not true to say I dispose false.
