

L.A.R. No. 100101/2013
Neelkanth P. Tijare
Vs.
State of Maharashtra and 1

ORDER BELOW EXH.43
(Passed on 07.03.2026)

The instant application is filed by the applicant for permission to file documents on record.

2. It is contended by the applicant that, he wants to file certain documents on record in support of the reference application which are vital and relevant for proper adjudication of the matter as well as for deletion of the name of original plaintiff due to his death. Hence, it is urged to allow the application. The non-applicant filed his say and strongly opposed the application.

3. Heard both sides at length. Perused the record. Admittedly, the counsel for the applicant wants to file the document at the stage of evidence. It appears that the document which the applicant wants to file on record includes the copy of gift deed dated 25.08.2023, copy of 7/12 extracts, and copy of death certificate. The said documents are necessary for the final adjudication of the matter and therefore, the permission to file the same on record needs to be granted. No prejudice would cause to the other side as the non-applicants shall have every opportunity to cross-examine the other side with respect to the said documents. Therefore, for proper

adjudication of the matter production of documents are necessary.

Hence, I pass the following order-

ORDER

1. The application stands allowed.
2. The applicant is permitted to file documents on record.
