Hence, it is urged to allow the application. Non-applicant No. 1 by filing the say with the contention that the applicant already closed the evidence. Hence, opposed the application.

3. Heard both sides at length. Perused the record. Admittedly, the applicant wants to file the documents at the stage of argument. However, it appears that the documents which the applicant wants to file on record are connected with the matter. The said documents includes the extract copy of village map of PethIsmailpur, extract copy of Talathi Report and copy of Judgment dated 21.08.2024. The said documents are necessary for the final adjudication of the matter and therefore, the permission to file the same on record needs to be granted. No prejudice would cause to the other side as the non applicants have every opportunity to cross-examine the applicant with respect to the said documents.

Therefore, for proper adjudication of the matter production of document is necessary. Hence, I pass the following order:
