

Order below Exh. 1 in Cri. Rev. Application No. 21/2023.

Vicky Chavan & Other.

Vs.

Ratna w/o Chandrakant Pawar & Other.

The present revision was filed by the applicants being aggrieved and dissatisfied of the impugned order passed by Ld. Judicial Magistrate First Class, Satana in Cri. M.A. No. 63/2023.

2. The present revision is protracted for last more than three years. The record shows that the applicants have been consistently absent and have failed to take requisite steps.

3. In view of the foregoing conduct of the applicants, it appears that they are not interested in prosecuting this matter any further. The revision is, therefore, dismissed in default for want of prosecution. Case papers be filed.
