

Order below Exh.1 in Special Case No.50/2022
(CNR No. MHNS100011422022)

I perused the charge at Exh.20 framed by my Ld. Predecessor against accused under Sec. 306 of Indian Penal Code, 1860 and section 12 of The Protection of Sexual Offences Act, 2012. I am of the view that considering the allegation charge under Section 305 of IPC should be framed as the victim girl who committed suicide because of the abetment of accused was minor at the time of commission of suicide and that the manner in which the offence is committed under Section 12 of The Protection of Sexual Offences Act, 2012 is also not mentioned in the charge. Under the circumstances charge is required to be altered and it is hereby altered accordingly.
