

Order below Exh.1 in Special (POCSO) Case No.70/2022
(CNR No. MHNS100014232022)

I have perused the charge at Exh.8 framed against accused by my Ld. Predecessor. It appears that charge is not properly framed and that charge is not framed under some sections of Indian Penal Code, 1860 and some sections of The Protection of Children from Sexual Offences Act, 2012 considering the allegations made against accused in the charge-sheet, I am of the view that charge should be altered and it is accordingly altered.
