

**Regular Civil Suit No. 05/2014
CNR:MHNS13-000070-2014**

Order Below Exh. 1

Abhay Vs. Gramvikas Adhikari and another

On perusal of plaint at Exh. 1, order passed below Exh. 22 and the order passed below the application at Exh. 20, it appears that, defendant no. 2 has not condoned the delay caused for filing his written statement. Therefore, my learned predecessor has passed an order below Exh. 20 on 10/09/2015 and thereby condoned the delay caused for filing written statement of defendant no. 1 only. The said application at Exh. 20 does not bear the signature of defendant no. 2. Furthermore, on 09/02/2016 my learned predecessor has accepted the written statement at Exh. 22 for defendant no. 1 only. It appears that, written statement at Exh. 22 bears the signature of defendant no. 1 and defendant no. 2. For the sake of reiteration, it is the fact on record that, uptill now defendant no. 2 has not condoned the delay caused for filing his written statement. Also it appears that, inadvertently my learned predecessor has not passed the no written statement order against defendant no. 2. Therefore, in the interest of justice, at this juncture, I pass the following order,

ORDER

- 1] Matter to proceed without written statement of defendant no. 2.
- 2] Both the parties to the suit shall take note of the same.
