

ORDER

Complainant and advocate are absent when called out repeatedly. Record shows that the matter is 5 years old pending for steps for appearance of accused. Roznama shows that complainant and advocate are absent since, 10/04/2024. No progress into the matter. No application on record.

Considering the age of the matter, non-appearance of complainant & his advocate & their failure to take necessary steps, matter is kept for further order of dismissal.
