ORDER BELOW EXHIBIT NO. 1

Plaintiffs have filed present suit for measurement, fixation of boundaries and perpetual injunction. On 23/02/2023 my Ld. Predecessor has framed issues at Exh. 15. Since then, the suit is pending for evidence of plaintiffs. Despite of giving ample opportunities, plaintiffs have failed to lead evidence. Today also plaintiffs and their Ld. advocate are absent when called out repeatedly. No application for adjournment is filed on the record. It seems that plaintiffs have lost their interest in the present suit. No purpose will be served by keeping this suit pending for indefinite period. Hence, I pass the following order;

Order

1. The suit is dismissed in default for want of prosecution.
2. Accordingly the suit is disposed off.
