CNR No. MHOS120002412016
Shalini Vs. Adinath
Order Below Exh. 67

1. The plaintiff has filed present application for production of documents i.e. C. D. and certificate u/sec.65/B of Indian Evidence Act.
2. Defendants objected the application on the ground that at this stage plaintiff cannot be permitted to produce the proposed documents. It is also objected that the proposed documents are not admissible in the form in which they are sought to be produced. Accordingly, it is prayed to reject the application.
3. Perused the application and say. Perused the record. Heard.
4. From the perusal of record, it reveals that in the present suit trial has commenced. No doubt, the plaintiff has not mentioned any reason for non production of the proposed documents before commencement of the trial. However, it is to be noted that, in the present matter the defendants have still opportunity to cross-examine plaintiff and her witnesses in respect of proposed documents because yet the cross-examination of the plaintiff has not commenced. Therefore, if production is allowed, no material prejudice would cause to be defendants. Hence, the following order.

Order

1. The application is allowed.
2. The plaintiff shall bear cost of present application.
