ORDER BELOW EXH.38
(Passed on 03rd July, 2026)

Plaintiff have filed present application for permission to produced on record receipts of bank. Defendants by filing say opposed the application stating ground that, the present application is moved at belated stage. Defendants further contended that, after completion of cross examination of plaintiff witness present application is moved. Documents sought to be produced on record are false and irrelevant. Hence, defendants prayed for rejection of application.

2. Heard both sides. Perused record and proceeding.

3. On perusal of application it is depicted that, plaintiff contended that, the documents sought to be produced on record are relevant. Relevancy of the documents is decided after their production on record. If the application is allowed and plaintiff wants to lead evidence in that regard, then certainly defendants will get opportunity to cross examine the witness on that point. Therefore, no prejudice will be caused to the defendants. Considering the above discussion I proceed to pass the following order.
