

Malik Singh Vs. Bhupinder Singh

Present: Sh. Raman Puri counsel for plaintiff.
Sh. Navanbir Gill counsel for defendant.
LR (1) Gurvinder Singh of defendant no. 1.

PW-2 present for cross-examination. But the witness is not cross-examined as it is alleged by defendant that they do not have the copy of the evidence and other pleadings. The plea does not seem acceptable as case is pending for 28 years and present defendant has also contested this case for quite sometime.

Still, court wants to hear both the parties and being court of first instance, It is better that version of both the parties is on file to decide the case effectively. Defendant has filed an application to provide uncertified copies. To avoid any further delay, the application is allowed. Ahlmad is directed to supply the uncertified copies to defendant counsel at their expense. Case is adjourned to 20.11.2019 with the consent of both the counsels for cross-examination of witnesses.
