She intends to visit holy place of Umrah. Therefore, she applied for renewal of her passport at Passport Office and her passport number is N7941439. But the Passport Department asked her report of police verification for issuing the passport. But the case is pending against her. After getting passport she will again move application before the Court for getting permission to travel abroad for the purpose of VISA. Since the present crime is pending against her the permission from the Court is necessary for the purpose of getting the passport. She is ready to obtain permission of the Court prior to travelling abroad. She is ready to abide any conditions imposed by the Court. She will attend the each and every date in this Trial. Hence, she prayed to grant the application and to direct the concerned passport authority to issue passport to her.

03. Ld. APP Mr. B.B.Ghate has filed his say overleaf of the application and submitted that there is no any application annexed with this application for the issuance or renewal to proper authority. There is chance of absconding the accused. Hence application be rejected.

04. Heard Ld. Adv. Imtiyaz Khan for the applicant-accused and Ld. APP Mr. B.B.Ghate for the State.
05. Perused the application, say and documents filed along with list Exh.59.

07. The applicant-accused has only prayed for direction to issue / renewal of passport. She has submitted that before going abroad she will take permission of the Court and will submit the period of her abroad location.
08. Since the applicant-accused has not seeking permission to go abroad and she has prayed only for issuing / renewal of passport, I am of the view that no objection for issuing of the passport is required to be given. In the result, I pass the following order.

Order

1. The concerned passport authority may issue passport to applicant-accused as per rules, for that this Court has no objection.
2. If the accused wants to go abroad, he has to seek permission of the Court.
