Versus

State of Maharashtra,

Through Kotwali Police Station

ORDER BELOW EXH.1**(Passed on 10.06.2026)**

This is an application under Section 483 of the BNSS for releasing applicant / accused **Sajed Khan Vahed Khan** on bail in **Crime No.255/2026** for offences punishable u/s 109(1), 118(2), 115(2), 351(2), 352 of BNS and sec. 4/25 of Arms Act registered with Kotwali Police Station.

2. Heard learned Counsel for applicant/accused and learned APP for the State. It is case of prosecution that while the informant/injured Shaikh Salim Shaikh Ismail was taking treatment in the Government Hospital, Parbhani on 25/5/2026, the police have recorded his statement/report. He alleged that on 24/5/2026 at about 9.30 pm along with residents of the lane namely Sajed Khan Vahed Khan/accused and Khayyum meson were drinking liquor on the ground of Nutan Vidhyalaya. The quarrel has taken place between accused Sajed Khan and Khayyum meson. At that time, informant has rescued their quarrel. Thereafter, they returned to their house. Informant came at Biyane Mahamandal, Sanjay Gandhi Nagar and he saw accused Sajed Khan was standing on the road. He has called the informant and started beating him by slaps and fist blows by saying तू नुतन ग्राउंडपर बहोत हुशयारी कर रहा था. At that time, informant pushed him and went to the side. Therefore, accused Sajed Khan annoyed and threatened to commit his murder. By saying so, he rushed in his own house and brought a sword. He has

given blow of sword on the upper side of left eye. He also inflicted injury to right palm of informant by means of sword and thereby tried to commit his murder. Due to the heavy bleeding from the injury, informant became unconscious at the spot.

3. Learned counsel for the applicant argued that informant/injured along with his friends was drinking liquor in the ongoing construction site. Informant came to know about the said fact and therefore, he has made call to the police. Therefore, informant and his friends ran away. While running away, the injured was under influence of liquor and therefore, slipped and fallen and hence, sustained injury. Informant is already discharged from the hospital. Therefore, there are no chances of alteration/increase of more serious offence. Accused/applicant is in magisterial custody from 29/5/2026. Most of the investigation is completed. Hence, applicant may be released on bail.

4. Learned APP argued that investigation is in progress. There are eye witnesses to the incident. There is strong prima facie evidence against accused. Hence, at this stage, accused may not be released on bail. If he is released on bail, he will hamper/tamper prosecution evidence and will pressurize prosecution witnesses.

5. Taking into consideration rival contention of the parties, it seems that the accused is in jail from 13 days. It is not disputed by the prosecution that injured is discharged from the hospital. Thus, it seems that there are no chances to increase the more serious sections/offence. Accused has no criminal antecedent. In view of above facts, it is desirable to release him on bail. Hence, I pass following order.
