06. I have gone through the record. There no direct evidence against the accused. Ld. APP has submitted that friend of Kamble is aneye witness but statement of that friend is not recorded. On going through the statement recorded by police it reveals that there is hearsay witnesses. There is mentioned that the deceased under drunken state fallen on the ground. There is also mentioned that there was accident. In such circumstances, *prima facie* it appears that no case is made out to keep accused behind bar till filling chargesheet or conclusion of trial. Co-accused Haider is released on regular bail. Considering that there is no direct evidence, it would not be just to keep accused behind bar. The liberty of accused therefore must be protected.
