On perusal of record, it is seen that the aforesaid cases are filed against the accused persons named therein, respectively, under **Section 65 E of Maharashtra Prohibition Act**. Said offence is triable as summarily by this Court. Further, it is seen that, till date no chemical analysis report of the seized liquor has not been filed on record by the Police. As per section 210 of B.N.S.S., this Court is empowered to take cognizance against the accused person. But, on perusal of said final reports the aforesaid document/s is not on record and issuance of summons & trial would be futile for want of said chemical analysis report. The matters are pending since its filing for cognizance. Hence, by exercising power under **Section 210 r/w 281 of B.N.S.S.** for aforesaid reasons, I proceed to pass following order for interest of justice-
