State of Maharashtra vs.  
Anusaya Yadav Zende

Accused is alleged to have committed an offence punishable under Section 65(e) of the Maharashtra Prohibition Act, 1949. In spite of granting sufficient opportunities, Investigating Officer has failed to produce the chemical analysis report. The case is too old. In absence of chemical analysis report, the trial would be futile exercise. Thereby, I am of the considered view that, no purpose will be served by keeping pending this case any more. Therefore, proceeding is required to be stopped. Hence, the order:
