Order below Ex.1 in Cri. M. A. No. 567/2022

Read complaint and written argument filed by complainant. It is specifically alleged by complainant that, accused No. 1 to 17 committed criminal breach of trust and cheated Government by dishonestly inducing delivery of amount of Rs. 65 Lakhs. Further as per contention of complainant all accused No. 1 to 17 in furtherance of their common intention also committed a forgery for purpose of cheating and using as a genuine a forged document. As per contention of complainant, all accused No. 1 to 17 misappropriated amount of Rs. 65 Lakhs for their own illegal purpose.

2) On perusal of such complaint it appears that, P. I. Of Economic Crime Department, S.P. Office (Rural), Pune gave cleanchit to all the accused mentioned in this complaint. But after going through the allegations made in complaint as well as on perusal of documentary evidence produced by complainant it appears that, complainant could prove the fact alleged in the complaint without assistance of police. Hence, after going through the same, I am of the view that, this is not a fit case to send under Section 156 (3) of the Cr.P.C. for investigation through police machinery. Hence, matter be fixed for verification of complainant and his witnesses, if any as per Section 200 of Cr.P.C.
