1. I have completed my M.B.B.S. course. On 01.01.2020, I was attached to NMMC Hospital, Navi Mumbai as a medical officer. On that day, I examined Santosh Sham Jadhav. He came along with his brother. I found following injuries on his person.

- a. blunt trauma over head, age within 24 hrs., caused by hard and blunt object, simple in nature,
- b. blunt trauma over left hand, age within 24 hrs., caused by hard and blunt object, grievous in nature. I referred the patient for x-ray examination. X-ray examination shown fracture to left ulna shaft.

Patient narrated history of assault by stump. The patient was handed over to Orthopedic surgeon. Accordingly, I have issued injury certificate. The injury certificate was prepared as per the M.L.C. register. The injury certificate now shown to me is the same. It bears my signature. Medical

certificate is marked as Exh. 53. I have brought original M.L.C. register with me today. Such kind of injuries are possible due to assault by Article A.

Cross-examination for accused by Adv. Shri. Amar Patil

2. Patient came to me at 6.00 a.m.. It is true to say that injuries are possible due to fall of a person from motorcycle. Patient was admitted. It is not true to say that I am deposing falsely.

Cross-examination over.
