

MHRG140010982022

Order passed below Exhibit 29 in CMA No. 177 of 2022

1. This is an application by the applicants praying to carry out amendments in the main application.
2. It is contended by the applicants that, they filed the main application for heirship certificate, but in that application some typing errors occurred, like instead of Survey no.21 A it is typed as just 21, instead of Share no.10 A it is mentioned as just 10, instead of share no.5 A it is mentioned as just 5. Hence, prayed to allow amendments.
3. Perused the application, supporting affidavit, documents filed on record. Heard Ld. Advocate for the applicant.
4. This is an application being decided uncontested and unchallenged, its contentions are supported by affidavit. Moreover, any amendment in the application does not mean they get any order in their favor directly, such amendments would be part of application and prayer, which would be decided through due procedure of trial. Hence, I do not find any reason to reject this application. Hence, the order:-

ORDER

- I. Application is allowed.

- II. The applicants shall carry out proposed amendment as mentioned in application at Exhibit 18 within 14 days from the date of this order and then place amended application and it's copies on record.
